*Whenever unlocking the lockbox or handing off a weapon backstage, an announcement will be made over headset

*Timings are all approximate

Preshow 1: After getting on headset, K. Naylor & S. Young unlock the lock box to confirm that all (6) weapons (the Watson revolver, Holmes 1 revolver, Holmes 2 revolver, Holmes 3 revolver, Inspector revolver, and Evans revolver) are accounted for and unloaded. After confirming this, K. Naylor & S. Young will lock the lockbox.

Fight Call: Following the "**Holmes on Holmes" violence fight call**, K. Naylor will unlock the lock box and retrieve the Inspector revolver. She will then re-lock the lock box and hand off the Inspector revolver to M. Tremblay at the UP SL. Following the end of the fight call, K. Naylor will retrieve the Inspector revolver from C. Celaya UP SL and return the Inspector revolver from the lockbox, ensuring the lockbox is locked following the sequence.

Preshow 2: At **10 minutes till TOS**, K. Naylor will unlock the lockbox and retrieve the Watson revolver from the lockbox. K. Naylor will then relock the lockbox and hand off the Watson revolver to D. Stewart at the SR VOM.

Gun Sequence 1: D. Stewart enters through the SR VOM at **TOS** with the Watson revolver concealed inside his costume. On **page 7**, the Watson 1 revolver is taken out of D. Stewart's pocket and handed to M. Tremblay. M. Tremblay hands off the Watson revolver to M. Booher immediately following. M. Booher hands off the Watson revolver to M. Tremblay immediately following M. Tremblay exit through the SL Dungeon door, where the Watson 1 revolver is handed off to K. Naylor, who returns the Watson 1 revolver to the lockbox. K. Naylor will ensure the lockbox is locked following the sequence.

Gun Sequence 2: Cued by M. Booher's exit on **page 19**, K. Naylor will unlock the lockbox and retrieve the Watson revolver and (5) blanks from the lockbox. K. Naylor will confirm what is to be loaded is (5) blank. S. Young will confirm that what is to be loaded into the Watson revolver is (5) blanks. K. Naylor will load the (5) blanks. K. Naylor will re-lock the lock box and hand off the Watson revolver to M. Booher in the SL Wing for his entrance on **page 21**. M. Booher will conceal the Watson revolver inside his costume. On **page 23**, M. Booher removes the Watson revolver from his costume and fires (1) blank. The revolver is aimed at the medical dictionary held by M. Tremblay, which has a gunshot effect. M. Booher then conceals the revolver back into his costume. At intermission, **page 26**. M. Booher exits the SL 1 door and hands off the Watson revolver to K. Naylor which then begins the intermission sequence.

Intermission: At **10 minutes until showtime**, K. Naylor, S. Young, and any other cast or crew members who wish to witness will meet at the lockbox. K. Naylor unloads the Watson revolver and unlocks the lockbox to the Holmes 2 revolver and (7) blanks. Following, she will re-lock the lock box. K. Naylor will then confirm that all (7) blanks are blanks. S. Young will confirm that all (7) blanks are blanks. K. Naylor will then load (5) blanks into the Watson revolver, 1 new blank and the 4 other blanks that were previously loaded from the Watson revolver but not shot. S. Young will confirm the blanks were loaded correctly. K. Naylor will then load the Holmes 2 revolver with (6) blanks. S. Young will confirm the blanks were loaded correctly. K. Naylor will then unlock the lock box and return the loaded Watson revolver and Holmes 2 revolver into the lockbox. K, Naylor will then retrieve the Holmes 1, Holmes 3, Inspector, and Evans revolvers and confirm they are unloaded. S. Young will confirm they are all unloaded. K. Naylor will then return the Holmes 1, Holmes 3, Inspector, and Evans revolver to the lockbox and re-lock the lockbox.

Gun Sequence 3: K. Naylor will unlock the lockbox and retrieve the Watson revolver loaded with (5) blanks from the lockbox cued by the Matrons' exit on **page 34**. K. Naylor will then hand off the Watson revolver to M. Booher following his exit through the SR door on **page 35**, who conceals the Watson revolver in his costume. M. Booher enters with the Watson revolver on **page 35.** On **page 50**, M. Booher removes his revolver from his costume and hands off the Watson revolver to D. Stewart. D. Stewart conceals the revolver in his costume.

Gun Sequence 4: K. Naylor will unlock the lockbox and retrieve the Inspector revolver, not loaded, and the Holmes 2 revolver loaded with (6) blanks on **page 50** cued by Gun Sequence 3. K. Naylor will relock the lockbox and hand off the Inspector revolver to M. Tremblay SL and the Holmes 2 revolver to T. Tropper SL. M. Tremblay will conceal the Inspector revolver in his costume, and T. Tropper will conceal the Holmes 2 revolver in his costume. **On page 51**, D. Stewart removes the Watson revolver from his costume and confirms it is loaded, he then re-conceals it in his costume. Following, T. Tropper enters the SL Dungeon door on **page 51** with the Holmes 2 revolver. M. Tremblay enters on **page 52** with the Inspector revolver concealed in his costume. On **page 53**, M. Tremblay removes the Inspector revolver from his costume and aims at C. Celaya's head. Following, C. Celaya and M. Tremblay have a staged struggle, and C. Celaya grabs the Inspector revolver from M. Tremblay.

C. Celaya then aims and faux shoots the Inspector revolver at M. Tremblay, which is supported by a gunshot sound effect. C. Celaya exits the UP SL and hands off the Inspector revolver to K. Naylor, who then locks the Inspector revolver into the lockbox. This weapon is not used again during the show. K. Naylor will ensure the lockbox is locked following the sequence.

Gun Sequence 5: K. Naylor will unlock the lockbox and retrieve the Holmes 1 revolver, not loaded, the Holmes 3 revolver, not loaded, and the Evans revolver, not loaded, from the lockbox on **page 54**, cued by the Holmes 1 exit SR 1. K. Naylor will re-lock the lockbox and hand off the Holmes 1 revolver to M. Fiore on **page 55** at SR 1. K. Naylor will hand off the Holmes 3 revolver to M. Fiore to M. Gould on **page 55** at SR 1 following M. Gould's exit. K. Naylor will then hand off the Evans Inspector to M. Booher on **page 55** at SL 1, following M. Booher's exit SR 1 and crossover to SL 1.

Gun Sequence 6: On **page 57**, D. Stewart removes the Watson revolver from his costume and aims slightly US of T. Tropper (to appear to aim at him). On **page 58**, D. Stewart shoots (2) blank shots. Then he checks the weapon before firing (1) more blank. Then, T. Tropper removes the concealed Holmes 2 revolver, aims at D. Stewart, and shoots (1) blank shot. D. Stewart then mimics being shot in the arm and places the Watson revolver onto the ground by the SR stairs. Following this M. Fiore enters SR 1 with the Holmes 1 revolver on **page 58** and aims at D. Stewart, M. Gould enters SR 1 with the Holmes 3 revolver on **page 58** and aims at D. Stewart, and M. Booher enters the UP SL with the Evans revolver on **page 58** and aims at D. Stewart. Upon entrance, M. Fiore picks up the Watson revolver from the ground.

Gun Sequence 7: On **page 60**, M. Fiore exits SR 1 with the Watson revolver and the Holmes 1 revolver. Upon exit, M. Fiore hands off the Watson 1 revolver and Holmes 1 revolver to K. Naylor. On **page 60**, M. Gould exits with the Holmes 3 revolver. Upon exit, M. Gould hands off the Holmes 3 revolver to K. Naylor. On **page 60**, T. Tropper exits SR 1 with the Holmes 2 revolver. Upon exit, T. Tropper hands off the Holmes 2 revolver to K. Naylor. After receiving the Watson revolver, Holmes 1 revolver, Holmes 2 revolver, and Holmes 3 revolver on **page 60**, K. Naylor unlocks the lockbox and returns the revolvers to the lockbox and confirms all weapons are empty of any spare

blanks. These weapons are not used throughout the remainder of the show. K. Naylor will ensure the lockbox is locked following the sequence.

Gun Sequence 8: On **page 62,** M. Booher exits SR 1 with the Evans revolver. Upon exit, M. Booher hands off the Evans revolver to K. Naylor. K. Naylor then returns the Evans revolver to the lockbox. This weapon is not used throughout the remainder of the show. Revolvers are then taken by Props for cleaning and returned to the lockbox. At the end of the night, K. Naylor & S. Young confirm that all (7) weapons (the Watson revolver, Holmes 1 revolver, Holmes 2 revolver, Holmes 3 revolver, Inspector revolver, Evans revolver, and spare revolver) are all accounted for. K. Naylor & S. Young then confirm all weapons are unloaded before locking the lockbox until the next pre-show process.
