Stage Ettiquette

Please continue to be on time, as we add elements, we want to be sure to be as efficient as possible

As we are in a non-traditional space, snacks are allowed when NOT in costumes. Please be sure to clean up after yourselves as this is a shared space.

No eating, drinking, smoking, or vaping in costumes. Please care for these costumes and store them with care.

Please be attentive so as not to miss your cues.

As this is a classroom, we will be setting up and tearing down each day before and after rehearsals. Please ensure to clean up all messes and to leave the space in a better condition than we found it.

Communication

Communication will stay the same, please check your email for any announcements and the production calendar/daily calls for rehearsal and performance times. If you have any questions, please text or email stage management.

Holds

During tech, the stage manager may call a hold. When a hold is called, please stop what you are doing and remain in a standby. We will let you know what is happening and what we will be moving to as soon as possible.

Breaks

We will maintain the same break schedule as in rehearsals, a 10-minute break every ~90 minutes. As there is no intermission, we will continue this through performances.

Social Media

Please refrain from posting anything on social media until after opening night. But feel free to post the promotional fliers to advertise the show!

Emergency Procedures

If you feel unsafe at any time, please let Stage Management know, and we will work to fix the issue. If we need to evacuate the building, use the closest exit that is safe. Our meeting location will be outside the CCM loading dock. If you can not make it to that location, contact Stage Management where you are so that we know you are okay. Please take the time to locate all the fire extinguishers backstage as well. UC Police non-emergency number: (513).556 .1111
